

# Spanish 21

## Rules

- ★ Spanish 21 is an exciting fast-paced version of regular Blackjack (21). It is played with a deck consisting of 2, 3, 4, 5, 6, 7, 8, 9, Jack, Queen, King, & Ace . . . no 10's!
- ★ Basic Blackjack rules apply, but the fun begins with Match play, Bonuses, Super Bonus and late Surrender rules. Player Blackjack always beats Dealer's Blackjack and pay odds of 3 to 2.

## Wagers

- ★ **Match The Dealer-** In addition to the to the regular bet, a Player can bet on the possibility that either of his first two cards will exactly match the Dealer's up card in rank. Matches can be suited or non-suited with five possible payouts.

In addition to the Spanish 21 bet, a Player can Match the Dealer wager by placing a bet in the Match the Dealer betting area. The minimum Match the Dealer bet is \$1, the maximum is the amount of the original Spanish 21 bet. Once all bets and Match bets are made, the Dealer will issue each Player two cards face up and himself two cards, one face up. If either of the two cards match the Dealer's up card, the Player wins! All Match the Dealer bets are settled before the start of the Spanish 21 round.

- ★ **Match the Dealer - 8 Deck Payouts:** 1 non-suited match is 3 to 1, 2 non-suited matches is 6 to 1, 1 suited match is 12 to 1, 1 suited and 1 unsuited match is 15 to 1, 2 suited matches is 24 to 1

# Wagers Cont.

- ★ **Late Surrender** - If the Player is dissatisfied with his first two cards, he may surrender instead of "taking a hit" or "standing", thereby forfeiting 1/2 of the original bet and removing himself from the current round of play. The Player must indicate to the Dealer, his intent to surrender. Surrender is not allowed on a Dealer blackjack. The hand signal to surrender: place your hand palm up and move your fingers backward and forward a few times.
- ★ **Doubling Down** - A Player may Double Down once with two or more cards, on any total even after splitting. When doubling, a Player can place any wager up to a maximum of his original bet. Bonus 21 payouts are not paid on doubled hands (see Bonus 21 Payouts below).
- ★ **Double Down Rescue** - If after doubling, a Player is dissatisfied with his non-busted hand, he may rescue or take back the doubled portion of his bet and forfeit his original wager. A double down rescue removes the Player from the current round of play.
- ★ **Pair Splitting** - A Player may split cards of equal value, including aces, creating up to four hands - hitting and doubling of split hands including aces is allowed. Bonus 21 payouts are paid on split hands. Splitting or doubling avoids the Super Bonus.
